

2024

A YEAR OF HOPE AND OPPORTUNITIES

OUR VERY BEST WISHES FOR THIS NEW YEAR AND OUR CONGRATULATIONS AND ENCOURAGEMENTS FOR YOUR FOCUSED ACTIONS AND INITIATIVES TO IMPROVE OUR ECOSYSTEM

2023 has been a year dedicated to the identification of new Members, Partners and Experts in order to contribute to the development of impact businesses and philanthropy mainly led by women in Africa. We hope in 2024 ethical investments funds and international public funds could deploy their financial loans and subsidies to SME active in key sustainable sectors.

Mastercard Foundation's call for Fund Administrator in charge of the management of a Local Milk Support Fund for Senegal, Côte d'Ivoire, Niger and Mali -Deadline : 31st JAN. 2024

YOUNG AFRICA WORK'S objective 2022-2030 aims to enable 6.2 million young people in the WAEMU zone, 70% women, to gain access to dignified & fulfilling work by 2030.

News on calls are also published in our website

The Future is Equal

The FEMALE FUND founded by **Lovisa Löwenborg** and registered in Luxembourg has been launched at the WEF and aims to increase female capital in the ecosystem, enabling more decisions made collectively by women and men, so society and progress will be better for everyone.

Join us in the support of the **Let's dance for Peace project** in association with **Fabrice Bwabulamutima**, dancer and activist from DRC who worked for the UNHRC & UNESCO art program in refugee camps to also cure traumas with dance!
